April 7, 2023

Dear Student,

Congratulations on being awarded a 2022 Camp RYLA Scholarship! **RYLA** stands for “**R**otary **Y**outh **L**eadership **A**ward” — at camp, which runs from May 28 to June 2, you will join students from approximately 90 area high schools for a week of fun, learning, leadership and personal growth that promises to be a memorable experience.

Enclosed you will find the following items:

- Information about the camp, what to expect and what to bring
- Information about providing additional student information to complete your application along with submitting your on-line medical form. All documents need to be finished no later than **May 10th**.

This is a requirement to participate at camp.

****Take note of the camp date. Sunday, May 28th through Friday, June 2nd.**

Important: Please plan on attending one of the student-parent orientation meetings. The locations can be found on the RYLA website listed below. It is best to attend the meeting identified for your sponsoring Rotary club, but you are free to attend any meeting.

Your sponsoring Rotary Club will provide transportation to and from camp. If you do not have a Rotary contact, check with your high school counselor.

If for any reason you are not able to attend camp, **immediately** contact your sponsoring Rotary club so an alternate camper is able to fill the position.

Any additional questions can be directed to the email below or the email and phone number printed above.

Welcome to RYLA!
